

**Press Office, PR and Digital Communication**

## About

## Portfolio

## Contact

Nicoletta Strada / Nicola levola

started working together in September 2014 with the aim to change the way traditional PR firms interact with clients and press.

### Vision&Mission

Offering innovative and effective ways of communication to clients, building "Made to Measure" strategies to increase brand awareness and creating new approaches to PR promotion.

Bridge the gap between the "old school" communication and the fast metamorphosis of the sector is critical to ensure effective services.

N&N take care of a 360 ° communication, studying marketing strategies Above and Below the Line supporting customers, follow and guide them synergistically.

The agency has offices in Milan.
